

Elevator Links

WELDLESS LINKS

King Oil Tool's forged steel alloy elevator links are especially designed for long life and safety.

Each weldless link is forged from a single steel billet, heat treated for Sets to maintain elevator balance. Links 3½" and 2¾" are designed for intermediate to deep drilling and workover, rated 500 ton and 350 ton per set.

Maverick stocks 250 ton links in the following lengths: 72", 84", 96", 108" and 120" with 2 1/4" stock.

We also stock the following in 150 Ton: 48", 60", 72", 84", 96", 108" and 120" with 1 3/4" stock.
